

TERMS CONDITIONS

BOOKINGS

The Spotted Pig encourages & accepts bookings due to our compact size, and social distancing laws.

We are able to seat just thirty (30) guests at any one time. There are times where we receive significantly more requests. As such reservations are limited and we appreciate your patience in obtaining a suitable booking.

Bookings are allocated 2 hours to dine.

Our maximum party size is strictly ten (10) guests.

CANCELLATION POLICY

Due to a high level of last minute cancellations and no shows, we now require guests to include their credit card details at time of booking. Please note your credit card details are held by a secure third party.

No charge is made prior to your reservation. However at least 48 hours' notice of cancellation, reduction in numbers or change of date is required in order to avoid a cancellation fee. If we are unable to fill your seats a cancellation fee of \$40 per person will be debited from your card.
